

The Missouri Federal Bonding Program

THE MISSOURI FEDERAL BONDING PROGRAM is a **no-cost**, job-incentive program intended to increase hiring of job seekers and promotion of employees considered as “at risk.”

“At risk” job seekers and employees are defined as people who have declared bankruptcy, have bad credit, have little or no work history, receive public assistance or are ex-offenders.

Fact: As long as the employer requests the service, the Missouri Federal Bonding Program can be used to overcome most negative issues an “at risk” person might have.

TO RECEIVE FIDELITY BONDING ASSISTANCE, THE EMPLOYER MUST VERIFY:

- A job offer or promotion has been made by the employer
- The “at risk” person is of legal work age, the job is legitimate
- The federal taxes of the “at risk” person will be automatically deducted from his/her pay

This no-cost, no-deductable insurance coverage begins the day the bonded person starts work and ends six months later. For a fee, an employer can obtain an extended period of coverage. Fidelity insurance provides an easy method for an employer to recoup losses incurred due to illegal acts of fraud, embezzlement, larceny and theft committed against the employer by an “at risk” person who is bonded.

THE MINIMUM AMOUNT OF COVERAGE OFFERED IS \$5,000.

Additional amounts of coverage can be provided if the need has been justified by the employer.

INSURANCE COVERAGE CAN BE FOR FULL- AND PART-TIME EMPLOYMENT.

Fidelity bonds have been issued to numerous employers throughout Missouri to bond “at risk” workers into varied occupations. Occupations “at risk” people have been bonded into include: Automobile Mechanic, Cashier, Clerical Assistant, Certified Nursing Assistant, Cook, Heavy Equipment Operator, Janitorial Service, Landscaper, Paralegal, Parts Manager, Warehouse Worker, Welder and Window Washer.
