Dear Sir or Madam:

This letter will service as notice pursuant to the Worker Adjustment and Retraining Notification Act of 1988 (“WARN”), which requires employers to give notice to the State dislocated worker unit of a pending plant closure.

Fulton Medical Center (“Hospital”), located at 10 S. Hospital Dr., Fulton, MO 65251, intends to close permanently effective September 22, 2017. Hospital Employees will be notified of the plant closure on Monday, July 24, 2017. As the Hospital winds down operations, staffing needs may fluctuate. Terminations will begin on or before September 22, 2017; however, Hospital intends to maintain pay and benefits for all employees throughout the 60-day WARN notice period. All employees have been notified in writing pursuant to WARN and a list of their job titles and classifications is attached to this letter. These employment separations are permanent. Employees at this facility are not represented by a union, and no bumping rights exist.
