Re: WARN Notice

Dear Sir/Madam:

Pursuant to the Worker Adjustment and Retraining Notification Act, we write to provide notice of a planned employment-site closing at the Hard Rock Café International (USA), Inc. (Hard Rock) facility located at 1820 Market Street, Suite 450, St. Louis, Missouri 63103 (the Facility).

Hard Rock will begin the process of closing the Facility on or about August 16, 2018. All individual layoffs will take place on, or shortly after, that date. At this time, we anticipate that 57 employees would be affected by this layoff, and that the layoffs would be permanent. A list of the job classifications with the number of potentially affected employees in each job classification is attached as **Exhibit A**. No bumping or seniority rights exist, and no employees are represented by a union.
