Dear WARN Coordinator:

This letter constitutes notice in compliance with the Worker Adjustment and Retraining Notification Act, 29 U.S.C. §§ 2101-09.

Due to economic conditions resulting from the COVID-19 pandemic InterContinental Kansas City at the Plaza (“InterContinental Kansas City”) temporarily furloughed and/or laid off employees at its hotel located at 401 Ward Pkwy, Kansas City, MO 64112, effective on various dates in March 2020. Initially, these actions were temporary measures and InterContinental Kansas City hoped to return these employees to their positions after a brief period. Given the ongoing COVID-19 pandemic and its continued economic impact on the hospitality industry generally and this hotel specifically, which was not reasonably foreseeable at the time of the actions, InterContinental Kansas City is forced to make the lay-offs permanent for some of its employees. Effective August 29, this results in the permanent layoff of 114 employees. Enclosed is an attachment listing the impacted positions and number of employees holding those positions at this location.

The relevant information is as follows:

- These permanent layoffs were in response to a decline in hotel business and use due to the COVID-19 pandemic.
- Bumping rights based on seniority do not exist during this layoff.
- The employees at the InterContinental Kansas City are not part of a union.
