Program Complaints and Grievances under WIOA

Executive Summary

An individual or a group of individuals may file a grievance or complaint at any time regarding local or State WIOA policies, programs, activities, etc.

Examples of this type of grievance include:

- customer disputes
- employee disputes
- discipline, demotion, or classification disputes
- customer/staff treatment eligibility
- denial of services or benefits, etc.
- policies and procedures
- program, supportive service, or training assistance or selection process

What is a program complaint and grievance under WIOA?

20 CFR 683.600 WHAT LOCAL AREA, STATE, AND DIRECT RECIPIENT GRIEVANCE PROCEDURES MUST BE ESTABLISHED?

Each local area, State, outlying area, and direct recipient of funds under title I of WIOA, except for Job Corps, must establish and maintain a procedure for participants and other interested parties to file grievances and complaints alleging violations of the requirements of title I of WIOA, according to the requirements of this section.

A program complaint and a discrimination complaint can look very similar. Both complaints have an issue or problem.

- A discrimination complaints alleges one of the following prohibited basis under WIOA:
 - Race
 - Color
 - National Origin
 - Age
 - Disability
 - Sex
 - Religion
 - Political Affiliation or belief
 - Citizenship (participants only)
 - WIOA participant status(participant only)

- A program complaint is any complaint not alleging discrimination.

	Discrimination Complaint	Program Complaint
Elements included	An issue A prohibited basis	An Issue A non-prohibited basis
Procedures to follow	CRC regulations at 29 CFR 38	ETA regulations at 20 CFR Subpart F, Sec. 683.600[a][b]

LOCAL BOARDS MUST PROVIDE

- Provide information about how to file a grievance or complaint including procedures for participants and other interested parties affected by the local workforce development system, including one-stop partners and service providers;
- The Local Boards must publicize their local procedures;
- Must **make reasonable** efforts to ensure that the information in the local policy will be understood by **affected participants** and other **individuals, including youth and those who are limited-English proficient.**
- A process for dealing with grievances and complaints from participants and other interested parties affected by the local workforce development system, including one-stop partners and service providers;
- An opportunity for an **informal** resolution and a **hearing** to be completed within **60 days** of the filing of the grievance or complaint;

WHAT DOES THIS PROCESS LOOK LIKE FOR THE COMPLAINANT?

- Complainant provides:
 - Name/address or other means of contact
 - Identifies the respondent (individual or entity)
 - Describes the allegations in detail
 - Signs complaint or their authorized representative (an email is acceptable)
- An opportunity for appeal to a State entity when:
 - If no decision is reached within 60 days; or
 - Either party is dissatisfied with the local hearing decision.

INFORMING THE PUBLIC

- Websites
- Computer screens in the job center with a link to Local Board website for policies and procedures
- Information sheets/brochures

The local boards or administrative entity should have a method for all individuals to understand the local program complaint and grievance process.

WHO MAY FILE A COMPLAINT?

- General Public,
- Any applicant,
- Employee,
- Participant,
- Service provider,
- Program recipient,
- Or other interested party may file a complaint alleging a violation of local WIOA program policies or any other complaint.

WHAT DOES THIS PROCESS LOOK LIKE?

- As the Local EO, you must write a letter to the Complainant recognizing that you received the complaint.
- In the letter you must address in chronological order the events or conditions alleged to be a violation of WIOA or subject of complaint;
- Address any relevant correspondence;
- The letter should provide information about resolving the complaint or grievance informally.

TIME AND PLACE FOR FILING

Complaints may be filed with the local administrative entity or the service provider within one (1) year from the date of the event or condition alleged to be a violation of WIOA or any other complaint within the workforce system.

Step One - Initial Review

- Log the complaint
- Establish a “complaint file” containing:
 1. Application and enrollment forms;
 2. Completed General WIOA Complaint Form (or complainant’s written statement);
 3. Chronological log of events or conditions alleged to be a violation of WIOA;
 4. Any relevant correspondence; and
 5. Record of the attempted informal resolution.

Step Two - Informal Resolution

- The Local Equal Opportunity Officer or administrative entity will **attempt** to **informally resolve** the complaint to the satisfaction of **all parties**.

Step Two - Informal Resolution (Continued)

- The **informal resolution process** must be completed within **ten (10)** business days from the date the complaint is filed.
- If all parties are **satisfied**, the complaint is considered **resolved**, and the terms and conditions of the resolution must be **documented in the complainant's separate written complaint file**.
- You must provide a formal letter acknowledging the complaint has been **resolved** and include the terms of the agreement.
- If your local board's policy allows your service provider to attempt **informal resolution**, the service provider would forward the complaint file to the local board.
- The local board or administrative entity will review the complaint file and investigate it further **if necessary**.

Exercise

In your groups, take a few minutes to discuss and create a mock complaint that you might receive. Groups will exchange scenarios and record steps and ideas for how to resolve these mock complaints.

Step Three - Formal Resolution

- When an **informal resolution** is not possible, the local board or administrative entity will issue a determination within **twenty (20)** calendar days from the date the complaint was filed.
- **Formal Resolution** will require a formal investigation of allegations mentioned in the complaint.

Analyze the Evidence:

- Direct evidence is in the form of testimony from a witness who actually saw, heard, or touched the subject of questioning.

Circumstantial evidence relies on an inference to connect it to a conclusion of fact—like a fingerprint at the scene of a crime. By contrast, direct evidence supports the truth of an assertion directly—i.e., without need for any additional evidence or inference.

Comparative evidence is most often thought of as identifying differences in treatment of similarly situated individuals.

Initially Keep An Open Mind

Do not rush to judgement based on isolated pieces of evidence.

- Look at the evidence gathered **as a whole**.
- Examine the process under investigation from the perspectives of **both** the Complainant and the Respondent.
- Look for **inconsistencies** in the Complainant's or the Respondent's versions of events.
- Look for the existence, or absence of **corroborating** evidence.

Take a close Look At the Respondent's statement(s)

- Look closely at the Respondent's **reason** for their conduct.
- The Respondent should have a clear reason for their action that backs **policies and procedures**.
- The investigator should be able to **verify** the Respondent's reason(s) for their decision and or conduct.

Make Credibility Findings

- Re-read all of the information gathered to address the facts in dispute.
- Once you have noted areas of agreement between the parties and made credibility findings to determine what occurred in the areas of disagreement, write the final determination.

Make the decision regarding whom to believe and why after taking the following factors into consideration:

- √ Were statements provided by the Complainant or the Respondent false, misleading, inconsistent, or factually incorrect?
- √ In the absence of witnesses or documents to corroborate a version of the facts in dispute, is there comparative, quantifiable, or statistical data that shifts the weight in favor of Complainant or Respondent? If so, this may provide a basis for determining who is more credible.
- √ Check for statistical data addressing treatment of similarly situated groups of people to corroborate the Complainant or Respondent's versions of the facts.

Step Three - Formal Resolution

- Keep in mind, the investigation should be completed within **20 calendar days from the date the complaint is filed.**
- The determination letter should notify the parties of the decision.
- The determination letter answers the issue(s) framed in the initial letter sent to both parties notifying a complaint was received.

Organize your Determination Letter in the following format:

- Statement of authority to investigate the complaint
 - Confirmation of the issue(s) presented for the investigation
 - Any areas of agreement of the parties
 - Findings of fact
 - Analysis
 - Conclusions
 - Remedies (if any)
 - Statement of right to a hearing
- Any dissatisfied party may request a hearing within seven (7) calendar days of the date of determination.

Exercise

Step Four: Hearings

- If either party requests a hearing within seven (7) calendar days of the date of determination, the local board or administrative entity will designate a hearing officer or committee to ensure the complaint receives fair and impartial treatment.
- A complainant may amend or **withdraw** his or her complaint at **any** time prior to a scheduled **hearing**.

Who can be a hearing officer?

- Local Board Members or Local Board Member Committee
- Hired/Volunteer Mediator
- Outside party that will be impartial

The person(s) participating in the decision making process in the hearing **may not** have participated in the informal and formal process of the complaint.

HEARINGS (Continued)

- The hearing must be conducted within **forty-five (45)** calendar days from the date the complaint was filed.
- The hearing officer or committee will schedule a **formal hearing** and mail a written notice to the complainant, the respondent, and any other interested party at least **seven (7)** business days prior to the hearing.
- The notice will include the date, time, and place of the hearing.
- Parties may present witnesses and documentary evidence, and question others who present evidence and witnesses.
- The complainant may request that records and documents be produced. Attorneys or another designated representative (s) may represent each party. All testimony will be taken under oath or affirmation.

HEARINGS

- The hearing will be recorded either in writing or by audiotape.
- The hearing officer's (or committee's) recommended resolution will include a summary of factual evidence presented during the hearing and the conclusions upon which the recommendation is based.
- The hearing officer or committee will also concur with the chief local elected official (CLEO) toward reaching consensus on the recommended resolution to the complaint.
- If consensus cannot be reached, the hearing officer or committee will initiate a request to the state for resolution.
- The local administrative entity will review the recommendation of the hearing officer/committee and issue a **Final Decision** within **sixty (60)** calendar days from the date the complaint was filed.
- The **Final Decision** should be formatted in the same structure as the **Determination Letter**.

APPEAL TO THE STATE

- Any party dissatisfied with the local board or administrative entity's **Final Decision**, or any party who has not received either a **Final Decision** or a resolution within **sixty (60)** calendar days from the date the complaint was filed, may request an **appeal**.
- The **appeal** must be received by the OWD within **ninety (90)** calendar days from the date the complaint was filed.

Exercise

As a group, make a quick timeline or outline of deadlines in the Complaint Process. List parties responsible at each point.
