

[MERIC's Dig Deeper tool](#) provides students, job seekers, and educators with a better understanding of the connections between training choices and work outcomes. [The Wage Explorer tool](#) displays wages one can expect after recently completing a training program in Missouri and in what regions and industries the graduates work in. Combined with Job Outlooks, Openings, and other Labor Market Information, you can make informed career decisions.

Want help using these tools or finding the best training program for your needs?
