

## MoSTEMWINS Information Technology Regional Release

The STEM (Science, Technology, Engineering and Mathematics) Pathway Summary is a summary of real time labor market analysis for the Pathway occupations across the state over the last 6 months for jobs in the Information Technology Cluster. Occupations in the areas of Science, Technology, Engineering and Mathematics (STEM) are some of the most in-demand and highest paying jobs in Missouri. This information was produced in partnership with the Missouri Community College Association to support the MoSTEMWINS grant, which provides training opportunities for in-demand jobs.
