

Uh oh! We've all been there. You walk out of a job interview with a sense of dread—you tanked it. You opened your mouth and the absolute wrong words kept coming out. You blew it!

Or, maybe you didn't. There's really no way to know for sure right away and there are steps you can take to recover and turn things around.

Take a deep breath, and read these pieces of advice to help you do a little damage control, learn from your mistakes and move on.
