

NO COST EMPLOYMENT ASSISTANCE

Gain the employment advantage! Missouri Job Centers provide no cost staff assistance to all job candidates. From start to finish, we actively work with you to identify a career goal, discover and improve job-related skill sets, and complete an effective profile on Missouri's job matching website, jobs.mo.gov.

» Job Matching

Search for quality job openings and access job search tools at jobs.mo.gov!

» Available Job Search Resources

Access computers, printers, copiers, scanners, fax machines, phones, and assistive technology at no cost to help you search and apply for jobs.

» Measure & Certify Skills

Stand out to employers with ACT's National Career Readiness Certificate! Show evidence of your skills by earning a Bronze, Gold, Silver, or Platinum certificate available at no cost to you through your local Job Center.

» Résumé Writing Assistance

Does your résumé stand out to employers and get you that interview? If not, work with our experienced staff one-on-one to develop a résumé and cover letter employers will notice.

» Job Seeking Skills Workshops

In years past, job hunting meant filling out applications, mailing résumés in bulk, and waiting for a response. Today, finding a job is still a process. Job Center workshops give you practical guidance needed to get the job you want and plan for a career.

» Work-Based Learning

Gain the skills you need to obtain employment. Learning opportunities are available for eligible job seekers. Job Center staff are available to determine your eligibility and identify programs that are right for you.

See reverse side for a list of workshops available statewide.

No Cost Missouri Job Center Workshops

» Career Exploration

Center staff help you explore career options. Assess your knowledge, job skills, and interests to help guide your job search and career planning.

» Career Networking

Career networking is about learning how to have "career conversations" with people for the purpose of finding a job. Center staff present different networking approaches to maximize your time spent and yield better results.

» Résumé Preparation

Wonder what employers are looking for when they read a résumé and cover letter? In this workshop, identify and optimize your résumé to help you stand out from other job candidates.

» Interview Process

Learn about the different types of interviews and what strategies help you showcase skills and experience in interviews. Get practical advice through research, preparation, practice, and mock interviews.

» Basic Computer Skills

Computer basics are essential for today's jobs. Learn to use the keyboard and mouse, access the internet, become familiar with document creation, and save files. Let us also help you search jobs.mo.gov to find your next job.

» Additional Resources & Learning Opportunities

- Adult Education and Literacy
- Apprenticeships
- Assistive Technology
- Budgeting and Financial Literacy
- High School Equivalency
- Job Search Computers
- Translation and Interpretive Services
- Young Adult Assistance
- And much more!
